If you don't like the idea of choke chains, e-collars, prong collars, poking and shushing your dog to make them behave well, then this is the book for you. Punishment is administered by withholding your attention. If a dog is misbehaving, you remove the dog from the situation. If you do want to use punishment, you can still learn how to properly use rewards from this book.

Although you may not be aware of it, every interaction you have with your dog is a training session with each pat on the head, cluck of disapproval, or offer of a treat, your dog is learning something. Whether he is learning something you want him to learn is another matter. If you want a well-behaved dog, you re going to have to modify your own behavior in order to modify his. The best way to achieve this is to understand how dogs think and learn.
