The National Security Strategy - U.S. Department of State

The National Security Strategy of the United States of America September 2002. The National Security Strategy of the United States of America September 2002. The great struggles of the twentieth century between liberty and totalitarianism ended with a decisive victory for the forces of freedom and a single sustainable model for national success: freedom, democracy, and free enterprise. In

National security - Wikipedia

Increasingly, governments organise their security policies into a national security strategy (NSS); as of 2017, Spain, Sweden. In the US, for example, the controversial USA Patriot Act of 2001, and the revelation by Edward Snowden in 2013 that the National Security Agency harvests the personal data of the general public, brought these issues to wide public attention. Among the questions
