The Law of Attraction: Like Attracts Like

The Law of Attraction is like the Law of Gravity - it always works. In actual fact, there is nothing to attract, because there is nothing that exists outside of you. In your physicality you have been designed to interpret life as an experience of attracting things from the outside to bring them to the inside.

Which is true: 'Like attracts like' or 'Opposites attract'?

It may help to view it not so much as "like attracts like" but more as "each vibration offered attracts what is necessary to fulfill it." - Me :P It just so happens that many vibrations fulfillment is of a like nature, i.e. abundant vibration requires abundant circumstances. But the fulfillment of the square peg is the square hole - and so that is what should be attracted.
