About St Augustine's Confessions CliffsNotes

Augustine probably began work on the Confessions around the year 397, when he was 43 years old. Augustine's precise motivation for writing his life story at that point is not clear, but there are at least two possible causes.

Confessions of Saint Augustine Christian Classics

In his Confessions, Saint Augustine reflects upon his life in the light of scripture and the presence of God. He begins with his infancy, pondering the many sins of his life before his conversion, and he

confesses not only his sins but even more the greatness of God. This work presents a wonderful contrast between the Holy God who created all things and whom heaven and earth cannot contain, and a commonly sinful man who has joyfully received God's loving salvation and mercy.
