### **Owl Who Was Afraid of the Dark Character Classics**

The owl is afraid of the dark and wants to be a day bird. But then he meets a number of animals and people that share with him the excitement of night time and out his fears to rest. I only took off one star because the story about the old lady using night to remember her past was very saddening to me. I may skip reading that part to children because I do not think they will connect to it.
