The White Giraffe Share book recommendations with your

Overall the white giraffe is a decent book and a simple read. I liked how there was suspense and action in some places. I didn't like how the whole book was based on one character. I did not like the book as a whole because it was too easy and somewhat boring.

St John Lauren The white giraffe Free Online Library

After the adventurous Martine meets a shy, magical white giraffe, their adventures together contribute to Martine's growing love for the animals and wildness of Africa. The fast-paced and suspenseful action often engages the indomitable, courageous Martine in fantastical activities both dangerous and unimaginable for a 13-year-old. Andoh's fully voiced reading is absolutely superb. Her ability
